THE CLASS OF 1948

SENIOR HIGH SCHOOL

WINTHROP, MASSACHUSETTS

WALTER H. DONAHUE

To Mr. Donahue:

In an effort to express our deep appreciation for your friendship, patience, and good humor, we are dedicating this issue of the *Echo* to you. In your capacity as head of the bookkeeping department, as school treasurer, and as Acting Submaster during Mr. Duplin's absence, you have performed many services indispensable to us throughout our school career, "getting things done" quickly and quietly. You have been a faithful teacher as well, bringing not only practical knowledge, but also enjoyment and fun to your classes. To you we say, "Thank you."

Sincerely,

THE CLASS OF 1948

“LET OUR VOICES, LOUDLY RINGING . . .

Join in as we sing of our proud achievements during the past years. Let's harmonize in a medley of songs about our work, activities, and good times, while we beat out rhythm to our socials, sports, plays, clubs, and classes. Through the knowledge and guidance we have received here in school, we hope to keep in tune with success in our future life.

Now, started in the right key, let us listen to echoes of our school career . . .

. . . ECHO FAR AND NEAR.”

**“Winthrop High School, Winthrop High School
Tender, fair, and true —
Loyal sons and grateful daughters
All their love renew.”**

All-time Favorites

Senior advisors, Miss Sherry and Mr. McClean

"Best looking" and "most popular" we do acclaim.

As well dressed as any could be

Mr. Dalrymple is our "best dressed," you see.

As "best natured" teacher in the school

Miss Blackburn is always calm and cool.

For humor ever sharp and quick

Mr. Colby, our "most witty," we did pick.

Mr. Duplin's everlasting vitality
 Won him the title of "best personality."

As "most co-operative" she
 wins the prize
 Mrs. Doyle is tops in
 everyone's eyes.

No teacher in the school
 is milder
 Than our "intellectual"
 Miss Wilder.

A "most excitable" sweet-
 tempered lady
 Is lovable, laughable, little
 Miss Cady.

Best Looking —

Judy and Martha — beauties undenied
Both so pretty — the vote was tied!
But Handsome Dick — among the boys is king;
Sophs really know when they see a good thing!!!

Best Dressed —

Catherine Liotine — being the best dressed
Sets the style for all the rest.
But if it's sharp male attire you're longing to see,
Kenny Belcher's your boy — you'll have to agree.

Best Dancer —

If it's a waltz, a fox-trot, or a jitter-bug
Martina's the girl who can "cut-a-rug."
For a boy that can do the accompanying step
Call on Salvy Massa — Is that boy hep!

Best Athlete —

Estelle Lavoie — so pretty and sweet —
Could you believe it — is the class athlete.
But Billy Rutherford also deserves a cheer
'Cause he's the Soph "Athlete-of-the-year."

Best Students —

When we turn to sterner stuff
Like essays, books, and geometry tough,
Edith Lamm and Bob Miller, we'll find assisting
'Cause of all the best students — they head the

Best Sense of Humor —

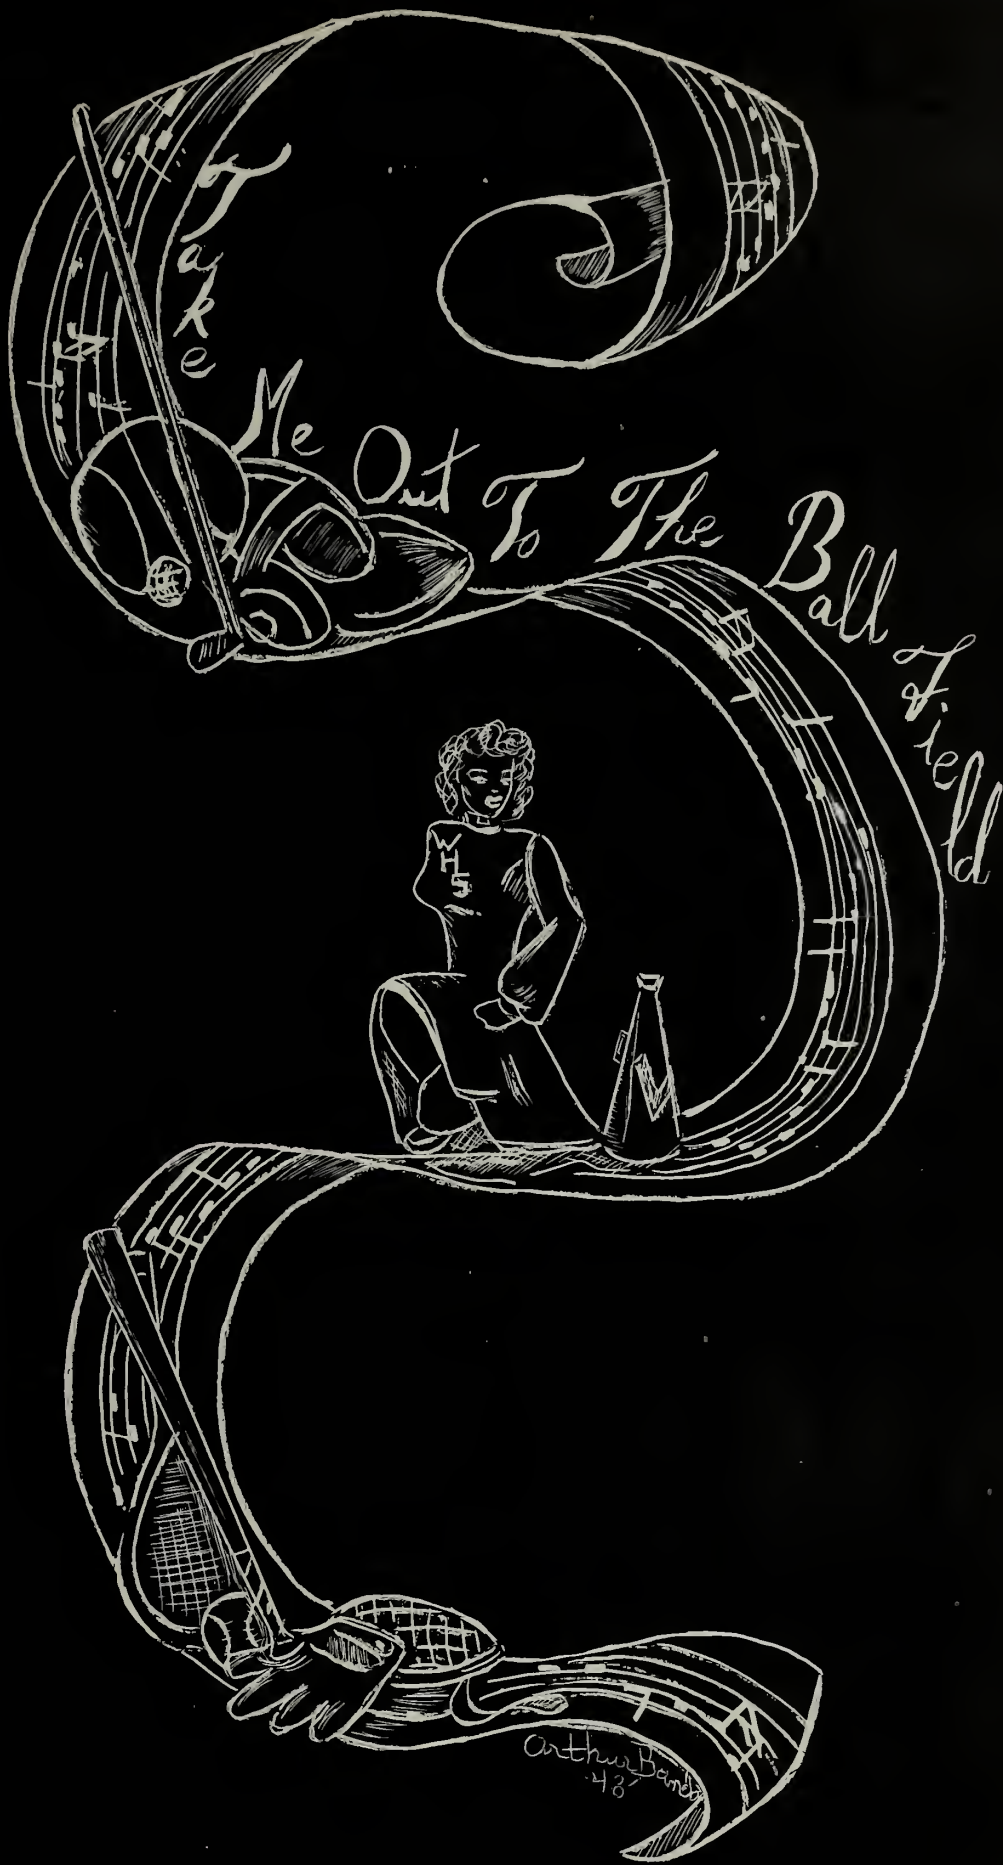

Estelle Lavoie and Walter Sweeney
Are quite a witty pair
In fact, when either one's around
The world is free from care.

Most Musical —

When we want Music we turn to Janet or Mel
Under whose rhythm we stay in a spell.
If it's fast or slow — Janet will play,
As will Mel — ask him any day!

Most Pleasing Personalities —

No one denies that they hold the key
To the secret realm of personality.

"Carry the Ball for the White and the Blue"

Our football season, closing with a hard-fought 12-6 win over Danvers, was a long hard one which started last June when the boys were having blackboard drill in place of regular spring training. During the last few weeks in August, the football team practiced faithfully twice a day in the sweltering heat, preparing for the season's opener against Lynn Classical. Only after a spirited fight did our boys go down in defeat to this highly favored team by a 20-6 count.

Then the breaks joined forces with them as they came up with victories over Lexington, Amesbury, Swampscott, Stoneham, and finally over our newly-acquired Turkey Day rivals from Danvers.

When the "smoke of battle had cleared," Winthrop was "sitting pretty" on top of the Northeastern Conference, sharing a co-title with Marblehead.

"A Tisket, a Tasket — a Blue and White Basket"

The 1948 Winthrop High School basketball team emerged from its regular season as Northeastern Conference champions for the fourth consecutive year. As a result the team also received its fourth consecutive invitation to the Eastern Massachusetts Interscholastic Basketball Tournament. The team dropped only one of its conference games, that to Marblehead in a bitterly contested overtime battle. There were seven non-conference games played, including one with an alumni team and one with Tufts Freshmen.

Winthrop, facing Abington High in the first game of the tourney, jumped ahead to an early lead and was in front all the way, staving off a last period spurt to win 39-35. That old semi-final jinx caught Winthrop again; this time with the help of B. C. High. Through the first half Winthrop had a slight edge, but B. C. High came back with a dazzling exhibition of ball handling and shooting in the third period, coming out on top 31-25.

Returning from last year's squad were Captain Paul Millerick, "Mud" Haraden, "Soup" Hewson, Johnny Mattson, Frank Covino, "Hank" McCarthy, "Cookie" Hanlon, and Dennis Ricupero. In addition there were newcomers "Foxie" Wolf, Henry Greene, "Putsa" Fielding, "Zeke" McKenna, and Fred Hill. Sophomores Howie Shwartzter and Bill Rutherford completed the squad.

The high individual scoring was as follows:

John Mattson	63	51	12	126

Girls' Basketball in Tune with Boys'

Miss Florence T. Key
Director of Girls' Athletics

The W. H. S. tradition of excellence in basketball was ably upheld by the feminine gender in this second season of interscholastic play by the girls' basketball team, which won six of its nine scheduled games.

The girls fought right down to the wire in every game, with the biggest thrillers being the game at Marblehead, which was lost by one goal, and the last home game with Swampscott, which was lost by merely one point!

The varsity squad had Mary Ann Foote (78 points), Doris Goodfader (70 points), and Patricia Brown (36 points), at forward and Joan Griffin, Judith Colpak, and Norma Peters at guard. Beverly Baker (18 points), Elaine Regan (8 points), and Anita Casden, a guard, were first string substitutes.

Miss Kiernan is especially optimistic about next year's team, as only three (M. Foote, P. Brown, and J. Griffin) of the varsity are seniors, and many of the second team are ready for first team berths.

"With the Greatest of Ease"

Having lost many of its valuable men via graduation in 1947, the W. H. S. Tumbling Team, still under the capable and popular director, Mr. Carl Johnson, started out training this year with only four veteran tumblers: Bernie Levine, Jack Sheehan, Dave Morrill, and Darien Terrile. However, with plenty

of intense practice drills, the team was able to present its annual exhibitions at the football games. These performances, some of which were undertaken amidst the worst weather conditions, have come to be expected and have certainly made a name for our high school.

Spring Sports

Track Co-captains Green and Gilfoyle

Spring sports this season will include track, golf, and tennis. The track team, under the capable supervision of Coach Wallace McClean and the leadership of co-captains George Green and Francis Gilfoyle, expect to have a good season. They hope to extend their undefeated streak from last year through this season.

Although a great part of the team of last year has departed, Mr. McClean looks forward to the return of lettermen George Green, Frannie Gilfoyle, and Barry Lichter, Bill Gallagher, and Walter Charm. The track team will have about seven or eight meets this season, which will include the Northeastern Conference Meet and the State Meet.

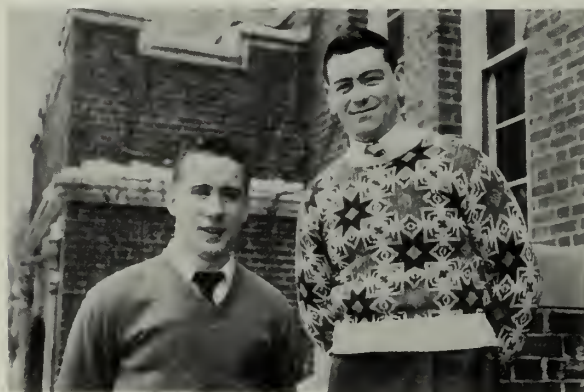

Coach Timothy Sheehan hopes to have a successful golf season with the return of Captain Fred Wolf and lettermen Frank Covino, Robert McLaughlin, Jay MacDonald, Dick Ashworth, and Eddie Cook.

Although the golf team lost a few seniors from last year, Mr. Sheehan has his eye on

some new prospects. Winthrop is in the North Shore Interscholastic Golf League which includes Beverly, Peabody, Salem, and Swampscott. Winthrop will play two matches with each team for a total of eight matches.

Tennis Coach Harold Morse hopes to have a successful tennis season, even though only Captain Bob Kilgore and John Mattson are returning from last year's team. During the fall tennis season, twelve new candidates went out for the team. These boys were Hugh Janvrin, George Levey, Frank Dolloff, Joe Mercier, Norman Winnerman, James Corbett, Leavitt Dolloff, Dick Bangs, Stuart Albert, Herbert Belkin, Barry Manuel and Melvin Mattson.

These boys played two informal tennis matches with Melrose and from this showing, Mr. Morse saw a lot of new talent. The tennis team is in the Suburban Tennis League which includes Melrose, Waltham, Lexington, Belmont, and Watertown.

The Echo Staff

Last spring when we of the Echo Board for 1947-1948 took over, we looked forward with excitement to publishing Winthrop High School's newspaper and yearbook. In preparing the last few issues of the bi-weekly in 1947, we learned the many difficulties of publishing a paper, but the thrill of seeing our articles in print made the job a pleasure.

Returning to school in September, we were eager to get together and provide the students with all the latest news. After successfully publishing eight issues of the newspaper, we turned the job over to the newly appointed juniors, and concentrated our

efforts upon getting out the best yearbook in the school's history.

We of the Echo Staff want to thank our faculty advisor, Miss Wilder, for her constant assistance, and for the many extra hours she worked to help us.

We also want to express our gratitude to Miss Johnson and the official Echo Typists, Marion Surette, Lila Berry, Rosemarie Buonopane, Mildreth Finn, June Fulmore, and Ellen Lawler, for their aid in preparing the regular Echo material for the printer.

In typing the yearbook material, Miss Johnson's entire class gave us invaluable help, which we appreciated greatly.

All in all, we have had a year of varied and interesting experience on The Echo Staff.

The News Club

The News Club with their advisor, Miss Edna Chalfant, did a most efficient job this year in keeping the townspeople informed of the important high school events. The members met once a week, during the lunch periods on Thursdays, to prepare their material for the local papers, "The Sun" and "The Transcript."

This year the members took turns acting as the editor. Each week one person, appointed by Miss Chalfant, gave out the assignments, prepared the material for printing, and carried out the duties of an editor. This system was very successful, and the members, as well as their advisor, are to be congratulated upon their good work.

The Latin Club

Under the able supervision of Miss Marie Merrill, the Latin Club was once again organized. Presiding over the thirty-seven members in the club were President Betty Miller and Vice-President Carol Wheeler. Barbara Polcari was chosen secretary and Doris Goodfader served as treasurer. Robert May was chosen librarian.

The opening ceremony of the Vestal Virgins provided each meeting with a truly Roman atmosphere. Those appointed Vestals, who symbolize the worshippers of the ancient Goddess Vesta, were: Maxa Lank, Frances Shapiro, Rona Groman, Betty Miller, Edith Lamm, and Marguerite Kiley.

At one of the meetings, Miss Barbara Wriston from the Boston Museum of Fine Arts gave a very interesting and educational talk on Roman life. She illustrated her speech by means of slides, which proved very effective.

Songs, plays, and informative talks made the members of the Latin Club look forward to their monthly meetings with pleasure.

"Dea Vesta, dea Vesta . . ."

Le Cercle Francais

The French Club, popularly known as "Le Cercle Francais," has once again enjoyed a very successful year.

All the programs were planned with the advice and supervision of the club's directors, Miss Helen Brown and Miss Anne Hey. Presiding at the meetings were Shimone Masovetsky as president and Barry Lichter as vice-president. Secretary Sylvia Rodman kept the minutes and Barbara Eidelman served as treasurer.

Educational and interesting programs were presented at the meetings which took place

approximately once a month.

This year the French Club undertook its main project the adoption of a French girl. Each French class contributed the girl, Jacqueline Lemaine, two eleven-pound packages a month, one of food and one of clothing, for six months. Also, the members of the French Club correspond with French boys and girls.

The faithfulness of the members and the excellent work that they have done this year make the French Club one of the most popular clubs in the school.

Photography Club

The Winthrop High School Camera Club, under the supervision of Mr. Edward Herland, had an interesting and successful year. The following officers were chosen: Leavitt Dolloff, President; Frank Dolloff, Vice-President; Arlene Pye, Secretary; and Donald Ford, Treasurer.

On the Membership Committee were Jean Zirngiebel as Chairman, P. Wolf, S. Massa, R. May, and B. Berry.

The Contest Committee, made up of James Corbett as Chairman, P. Athens, A. Pye, C. Cook, and F. Vance, held contests each month on various subjects. The win-

ning pictures were placed on exhibit in the entrance corridor of the school.

Entertainment for each meeting was planned by the Program Committee, consisting of Richard Bangs as Chairman, F. Di Napoli, B. Brith, J. Lessard, and J. Brady. Talks were given by the members, and slides were shown by the supervisor.

Occasionally through the school year the Dance Committee, consisting of Joan Thomas, Marie Ambrose, Florence Vance, Paul Blomquist, and Herbert Belkin, sponsored dances in the gymnasium. The proceeds of these affairs were used to buy the club a Sun Ray enlarger.

Pro and Con

At the beginning of the school year a group of enthusiastic students organized the Debating Society under the supervision of Miss Viva Blackburn. Shimone Masovetsky and Irma Miller held the offices of president and secretary-treasurer respectively throughout the year.

The Club's first major production was a Good Government Day assembly program, at which time Robert Finn, Irma Miller, and John Mattson spoke about the fundamental and essential qualities of good government and good citizenship.

At one of the most entertaining, instructive, and enjoyable assemblies of the year, six orators debated on the subject, Resolved: The United States should adopt a plan of Universal Military Training. The sentiment of the student body rested unmistakably with

the affirmative side upheld by Gerd Greenhut, Robert Finn, and Irma Miller, but all agreed that the negative team composed of Shimone Masovetsky, Marilyn Kind, and Wendell Hodgkins brought many dormant facts to life.

The society has debated on compulsory labor arbitration, higher education for women, the assets of F. D. R., wealth and poverty in relation to character building and health, and other topics which range from the lighter things in life to the more informative and instructive.

Plans were made for an interscholastic debate with the Revere High School Debating Team.

The Club is proud that it has opened the eyes of many of the student body to the changing world in which we live.

To round off a busy dramatic season, Mrs. Doyle, her Barrymores and Bernhardts, and sundry other helpers presented a hilarious comedy in three acts entitled *Doctor's Orders* on Thursday and Friday evenings, April 8 and 9. The cast was ably led by Marjorie McNeil, playing an uninhibited spinster, and Jack Squier, a handsome young lawyer, and included Ruth Solomon, Joan Thomas, Paul Blomquist, Sandra Sax, Jacqueline Rigmont, Jeanette Lessard, Joanne Wilson, Carol Thompson, Bernard Levine, Philip De Palma, and Herbert Belkin. On the all-girl stage crew were Mary Masterson, Johanna Masterson, Muriel Green, Jean Thompson, and Louise Reardon; Barbara Robinson prompted; and Betty Reith and Alicia Barclay took care of properties. Assists for the properties go to Mr. Sheehan's shop classes and Miss Sharples' art classes for their good work.

The House Lights Dim, the Curtain Goes Up, and . . .

Miss Herries is being very nicely swindled out of her valuable property by that villain of all villains, Henry Abbott. Yes, it's the senior play, "Kind Lady," a thrilling, witty comedy-mystery that kept the audience alternately in gales of laughter and in tremors of suspense. The eventful nights were Thursday, December 11, and Friday, December 12, 1948.

The antics of a half-moron child, a lunatic, and a gaudily dressed couple, plus the superb acting ability of all made for a delightfully entertaining evening.

However, the play could not have been as successful without the co-operation of Miss Dorothy Sharples and her art students, and Mr. Timothy Sheehan and his capable young carpenters whose constructing of a true-to-life staircase did much for the stage setting. And, of course, our whole-hearted appreciation goes to Mrs. Agnes Doyle for her patience, understanding, and superb guidance throughout the entire production.

"Don't mind Peter, Mrs. Weston," quips Betty Reith.

Is it the police?!?

"Dance! Dance!" shrieks Alicia hysterically.

"What do you want of me?" pleads Carol.
